Dear David Guest,

We wish to write and thank you so very much for the wonderful service that your company provided us with every step of the way. You have been consistently helpful and professional, a 'safe pair of hands', which ^{we} were most grateful for.

The ~~Arada~~ fruitcakes were everything that we'd hoped for and more, and received many compliments from our guests. We hope they go far.

You run a very professional company and we would not hesitate to recommend you.

With very many thanks,

Mr & Mrs Webb
