Dear Ms Williams

I am writing to ask you to pass on our warm thanks to Emma who played so beautifully at the wedding of my daughter Elizabeth at The Bull Hotel on May 25th. The sound of the harp was perfect for the small room where the ceremony was held and I could hear it quite clearly throughout the reception and enjoyed the repertoire very much. Many of our guests commented on how much they had enjoyed the music so please thank Emma very much for contributing to our special day.

Yours sincerely
Susan Jennings
