

David, James + Ellie,

Just a quick note to thank you for your help in organizing the music for our wedding.

Despite the last minute last voice score, Charlie and Friends did a superb job - it was great to welcome our guests with live music. It really got the reception going. I wish I'd had more time to listen to

them - several guests were dancing before dinner.

The DJs did a good job of getting the dancing going - I think the dance floor was full all night. They managed to play all our requests and even stepped in 'Suburge' at the end for Lucy's father - which was a real highlight.

Thanks to you all - we had a great day.
Morgan and Lucy MacIntyre
