Dear James,

This is just a short note to say thank-you very much for booking Groove Collective for our party on 2 August 2003 at Cherry House, Barton Mills.

Everything ran smooth as clockwork and the band was absolutely fantastic. Everyone was very impressed with them and we had a wonderful time!

Thank-you very much for all your effort and please pass on our sincere thanks to the band for a job well done!

Kind regards,
Nanda
