Emma

Just a note to say thank you for all your help for our wedding.

The day was brilliant and went very well, if but a little too fast for my liking! We had fantastic weather and couldn't have asked for a better day.

The Sovereign Duo looked and played beautifully and really went well with the setting. We are so pleased we booked it and it made so much of a difference having the music played live rather than a CD.

Everyone commented on how nice it was and that it was a good idea to have something that little bit different.

Once again, thank you for all your help, it was very much appreciated.
