Dear Emma,

We just wanted to say thank you very much indeed for suggesting The L'Inviti String Quartet for our wedding at The Diary, Waddesdon on Saturday 7th September 2002. They were absolutely right for such a stunning venue and the music complemented the day wonderfully.

They were incredibly professional and literally arrived, moved round the venue at ease and left without needing any attention at all from the wedding party. They were an absolute pleasure as many of the guests mentioned throughout the day.

We would also like to thank you for your continuous attention and advice. You took away any worries or pressure regarding the choice and organisation of the music for the reception. That kind of reassurance is vital when there is so much to organise.

We would, without hesitation, recommend you to any of our friends.

Thanks again.

Kind Regards

Andrea & Owen Ashby
